The image shows a series of vertical lines forming a grid for a weekly schedule. The top row is a header with seven columns labeled 'SUNDAY', 'MONDAY', 'TUESDAY', 'WEDNESDAY', 'THURSDAY', 'FRIDAY', and 'SATURDAY'. Below the header are several rows of vertical lines. Some of these lines are highlighted in black, creating a pattern of alternating black and white vertical bars. The black bars appear to be of varying widths and are positioned at regular intervals, likely representing specific days or times within the week. The overall appearance is that of a template for a weekly schedule or calendar.
